From Publishers Weekly

Starred Review. A killer targets 80-year-old Helene Strauss, the wealthy creator of the popular Helene doll, in McKevett's superb 16th cozy featuring San Carmelita, Calif., PI Savannah Reid (after 2010's *Wicked Craving*). Those who might want Helene dead include her nasty niece, druggie great-nephew, and death metal-loving great-niece as well as Helene's gardener and her housekeeper. Savannah delves into each suspect's secrets, assisted by her one employee, Tammy Hart, and her former police partner, Det. Sgt. Dirk Coulter, while her professional bodyguard buddies, John Gibson and Ryan Stone, glue themselves to Helene. These precautions, however, aren't enough to prevent a double homicide. Meanwhile, Savannah suffers repercussions from her interference with Tammy's abusive boyfriend. In addition to a delightfully surprising happy ending, McKevett supplies an author's note about domestic abuse with a list of helpful resources and contact information for those who may be victims of such abuse. ## **BY G. A. MCKEVETT PDF**

Plus-sized P.I. Savannah Reid prides herself on cracking even the toughest cases. But her latest investigation is leaving her hungry for answers as she tries to unmask the identity of a cunning, would-be killer. His prey? Legendary designer Helene Strauss, creator of the world-famous Helene doll. While Helene's brassy, take-no-prisoners style made her a huge success, it also made her quite a few enemies.

Before long, Savannah is sure she has a handle on the case. But when two key players turn up dead in Helene's sizzling hot Jacuzzi, Savannah will have to start from scratch--and question everything she thought she knew about the Strausses' twisted family tree. . .

Excellent/Emotional

By suzatm

All of G.A. McKeveitt's Savannah books are a wonderful treat to read and savor slowly. This book rated high on the emotional scale and I couldn't put it down. I hope that reviewers will NOT write too detailed of a description of the book in their reviews and spoil the whole ending of the book for everyone. All who read *A Decadent Way to Die* should enter in totally without a clue to the events in order to thoroughly experience what the book has to offer. This is wonderful series.

8 of 8 people found the following review helpful.

A wonderful mystery

By Sassy girl

This mystery brought me to tears.

It spoke to my heart.

How could a mystery accomplish this?

Easy. McKeveitt writes from her heart.

Her characters come to life for me.

Savannah and her friends add so much depth to each story. The good, the bad, and the ugly.

As always, a murder takes place and someone has to do the dirty work.

Savannah and Mike are hot on the trail.

Along the way, one of her friends is in need of some help and advice.

If you have ever read any of the other mysteries by McKeveitt, you will know that when a friend needs help, Savannah pulls out the big guns and doesn't stop till she finds an answer. This book is the best one yet.

Tis a keeper for sure.

I am not a very good reviewer.

But, this book made a big imprint on my heart.

Hope it does the same for you.

P.S. The first bite of the cheesecake is mine!

3 of 3 people found the following review helpful.

Highly Entertaining!

By HelloWriters

This is the sixteenth book starring Private Investigator Savannah Reid, and readers will all be thinking as they close the cover on this one that there will hopefully be a seventeenth, eighteenth...does infinity ring a bell? For those living in a cave, Savannah is a plus-size detective and one of the funniest, smartest, most enjoyable characters that's offered in the world of cozy mysteries.

In this newest offering, Savannah is hired by the granddaughter of Helene Strauss, an eighty-year-old

businesswoman and creator of the very popular Helene doll. Ms. Strauss is a shrewd woman who is immensely brash and as funny as Savannah, herself. There are some odd things happening to Helene in this book - suspicious events that seem to allude to the fact that Helene has been marked for death by a clever killer who's making it very difficult for Savannah to uncover.

When the case begins, Savannah doesn't exactly get any co-operation from the high and mighty Strauss family - most especially Helene, herself. Helene simply has that smart businesswoman persona that makes her an extremely hard person to please, even though she needs Savannah to find out why exactly she's being stalked. Savannah quickly discovers that there have been many stressful relationships within the Strauss family for years. Helene's niece, Ava, has worked her behind off and scratched and scraped her way into the management of the family's illustrious doll company, which makes a great deal of money. But Ava seems to be moving the company into a completely shabby realm. In fact, the newest Strauss doll in the famous Helene line is a sultry fashion doll that comes with an excessive sexy wardrobe and a brand new, almost pornographic figure (Seems that Barbie isn't the only one who looks good in a bathing suit). Helene is understandably upset at this new doll because she's always prided herself on elegance and class, and she is trying with all her might to stop production on this atrocity.

With the help of her friend Detective Dirk Coulter, Savannah soon finds out that Ava is not the only family member with a motive to get rid of Helene. In fact, there are quite a few that surround her who have their own eyes on the profitable business. And, boy, would they just love to inherit by any means, fair or foul. As Savannah begins to unravel the case, two of the important players end up dead in a jacuzzi, and she finds herself investigating every branch of the Strauss family tree.

This, as always, is a wonderfully fun read. But - as always - the best part of the whole story is our leading lady. Savannah is an intriguing and sassy heroine and offers readers a great time. Highly Recommended.

Until Next Time,  
Amy Lignor, Bookpleasures.com Reviewer
