great book

By ceceliahl

beautiful illustrations- makes a great gift. I saved money buying it on here, this book has been at Anthropologie before. I keep it on display in my daughter's room on a forward facing book shelf- she loves it!

Sweet, Creative, Unique

By Alli

A great book makes you think, question what is next and brings joy. This book is simply adorable. I snatched it up at a used store and loved the simplicity of this wordless book. Sharing it with my almost 4 year old brings much discussion about what might come next as we giggle at the creative ideas throughout. I highly recommend this "unique" alphabet book!
