Great Read

By Denis Kohl

This is the third Okri book I have read and like the previous two I found it very thought provoking. Some passages were so gripping that I posted excerpts on FB for my friends.

Writers dream!

By Ava D

This was a gift to an ex of mine who was a writer. I purchased this to motivate and reignite his writing passion. I was no longer his muse, lol, but still loved him enough to want what was good for him. It worked! Kind of pricey, being an import but worth every penny!
