ADVOCACY PRACTICE FOR SOCIAL JUSTICE BY RICHARD HOEFER PDF

Advocacy Practice for Social Justice teaches readers how to understand the advocacy process, how to be an advocate, and how to help others advocate for themselves. Professor Hoefer argues that an ethical responsibility of all social workers is integrating social work advocacy into their practice and outlines a step-by-step process for planning and executing advocacy within a generalist practice.

Well written, easy to understand

By doncapps

This book is small but a very good resource. I hate reading or buying books where it seems that the author purposely is just trying to show off his superior intellect by cramming as many big words as he can in each sentence. This book is skillfully written for knowledge and not showmanship. It was worth buying.

0 of 0 people found the following review helpful.

Excellent resource

By Master's Student

"Advocacy Practice for Social Justice" is an insightful and detailed guide on advocacy. Dr. Richard Hoefer provides all the tools to prepare a practitioner or student to advocate effectively for social causes. This little book is an important addition to the social work curriculum.

E. Burt,
Graduate Student, UT Arlington, Social Work Program

Not received

By Andrew R. Hull

Have yet to receive book. Was supposed to receive by January 28th. What's up with that?
