Enhanced with sample forms and a glossary of legal terms

By Midwest Book Review

Ably and knowledgeable written by an experienced attorney-at-law Daniel Sitarz, Basic Wills Simplified is a straightforward and thoroughly "user friendly", do-it-yourself instructional guide to preparing a standard will without the help and expense of a lawyer. Simple, easy-to-follow, step-by-step, instructions (enhanced with sample forms and a glossary of legal terms) make Basic Wills Simplified strongly recommended not only for those who choose to write their own wills, but also for those looking to educate themselves on the process before seeking potentially costly legal counsel.
