BOUND TO NIGHT (SISTERS OF THE MOON BOOK 1) BY NINA CROFT PDF

Novella - approx 23000 words
(2nd edition)

Waking up after a brutal werewolf attack, telepath Tasha Grant finds herself a prisoner of The Facility, an organization carrying out illegal research into the paranormal. She dreams of freedom, a normal life, and going home, but after eight long years, she believes it will never happen. Her life changes with the arrival of the stunningly gorgeous Jack, the latest unwilling guest of The Facility. Passion flares between them, but Jack refuses to share his body or his mind.

Jack must fight his burning desire for Tasha; he has a job to do—destroying The Facility—plus a very good reason for keeping his distance from the young werewolf. Only when they escape their prison, does he admit his feelings and accept the possibility of a future together. However, Tasha yearns for a normal life, and Jack is a vampire...

As the past unravels and they uncover the secrets behind Tasha's attack, she realizes that 'home' is farther away than ever. Now, she must decide if that matters when the alternative is a place at Jack's side...

New Series

By Richard C. Hayes

Tasha was 13 years old and hiding in a forest, waiting for her father, when she is attacked by the largest wolf she had ever seen. As she laid there waiting to die she is picked up by 2 men and transported to the Facility, where she has been held for 8 years when;

Jack, an old vampire has allowed himself to be captured to gain entrance to the facility meets Tasha when she is brought to him for him to feed. He finds out that not only is she a telepath but also a werewolf, a fact she denies as she has never changed even though the people at the facility has been trying to make her do so. They develop a bond and when he hears her being tortured he orders his men to raid the facility and he rescues her and takes her to meet Sebastian, the head of the local werewolf pack.

The story goes on as they try to find out who and what she is, who ordered her attacked and why and are there others like her.

This book, if it had been longer and developed the characters better would had received 5 stars instead of 4

as it was interesting and gripping and made me want to know much more about each person and what was happening. Maybe in the next book of the series. We will have to wait and see.

NOTE: I received a copy from the author in exchange for an honest review.

3-1/2 Stars, Pretty decent fast read

By jcat

Which was mostly the problem, it was too short.

A longer story would have allowed more prior background and more character development. I'm not a big fan of novellas, I'd much rather sit down and read a full length book that satisfies me. That being said, it really wasn't bad as far as it went, and has an acceptable ending that will lead smoothly to the next installment.

Tasha is not a bad heroine if one takes into account her lack of worldly experience due to her incarceration. Jack the Vamp is the suitably sexy love interest, although Sebastian the Werewolf appears to be a fine future contender to round out a potential love triangle.

Spicy sex scenes, not for the young ones. Nothing really too unusual with the Telepath/Vampire/Werewolf scenario, but still nicely presented.

Quick and easy read.

Great Story! I wish it were longer.

By Amazon Customer

I loved the heroine. She was spunky and not afraid to speak her mind even if it caused her trouble. Jack could have used a little more description as could Sebastian for that matter. The book was left without a clear ending so I am assuming there will be more. I hope so. I would really like to read more about these characters and get a little more back story on them and on the organization that held them hostage. The author has a very good writing style. The story kept my interest until the end. A very pleasant surprise for a free book.
