Must have if you own a cadi

By Dace

Exactly what I wanted, for a reasonable price. The photos from the tear down are very helpful. It can be a bit confusing if you don't know what you are looking at, but I would suggest getting the Haynes manual for any car you own. It will save you a lot of money from avoiding costly mechanics.

Worthless

By Alan K. Andre

This manual has little that applies to any Caddy and what may be in there is hard to locate. I found more on the internet than in this manual!
