He shouldn't have been an outlaw, I shouldn't have fallen for him...

EMMA

Jack Hart was all wrong for me. He was in the Big Bear Outlaw Motorcycle Club. I was studying pre-med. He was a criminal, and I've never even jaywalked.

After my mom had left, the last thing I wanted was a relationship. But then I started falling for Jack. Why did he have to have a girlfriend? Why did I have to go out with his brother?

JACK

My family ran the MC, but there was so much more to me than the MC. I was a writer and I didn't belong. The only person who saw this was Emma.

Why did I have to have a girlfriend? Why did she have to go out with my brother?

Good Girl & Bad Boy Biker!

By Twill726

I like the way the characters develop in the story and that we are given some insight into who they are. Emma comes from a broken home where her mother packed up and left her and her father, who is an alcoholic cop, behind. She is resentful of them but she still loves them because they are her parents.

Emma's friend Delilah talks her into going to a party where a bunch of bikers are. She is the shy and reserved type girl, where as, her friend is outgoing and adventurous. She meets Kyle, who happens to be the brother of one of her fellow college classmates named Jack.

Kyle asks her out on a date but her mind seems to shift between both Kyle and his brother Jack. Both brothers are members of the same MC Club.

I recommend that you read Desire: Part One of Big Bear Outlaw MC Romance Series. You will want to know what will happen with Emma. Will she end up falling for Kyle, Jack, someone else or end up alone? I wonder what the impact that her father will have on her and the brothers relationships with him being a cop and them members of a MC Club. I can't wait for part two to find out what happens next!!!

Emma vs The Biker Brothers

By Doris

First of three parts about Emma who is a straight laced college girl that still lives at home with her alcoholic cop father who catches the attention of Jack a bad boy biker who just happens to be in her English class. Yep, that's right this biker is into higher education. One night Emma goes with a friend of her's to the "other side of town" to a party that is full of bikers. There she sees Jack who is pretty cozy with some hot little number but the whole time Jack is getting busy with Madelyn his eyes are on Emma which Emma notices only because she can't take her eyes off from Jack either. Now let's throw Jack's brother, Kyle in the mix and this only makes for a very interesting story. Kyle wasn't like his brother he seen what he wanted so he didn't waste time in asking Emma out; which she accepted.

Now the wait for the second part of this steamy story to see what the heck is going to happen. This should make for a pretty interesting read.

By Barbara Stoker

This a awesome short story with more to come. Desire is about Emma Crawford who is a straight lace English student. Jack Hart is sexy bad boy who is in a motorcycle club. Emma goes to a party with a friend and runs into jack. She can't believe how sexy he is too bad he has a girlfriend. This is the 1st part of the story and it's an awesome read. I couldn't put it down. I can't wait for the next two parts. This leads you up to a hot story. This book is a hot read that leaves you wanting more. It's a must read.
