I don't usually read short stories, however as my friend recommended this to me I thought I'd give it a go. I really enjoyed this book. The author is a brilliant storyteller with a simple but interesting way of describing people and places. It was easy to read, but thought provoking, and the stories and characters have stayed with me after I finished the book.

Amazing Storytelling

By Amazon Customer

What an amazing storyteller; this book is so good it makes me homesick for Sydney and the crazy characters that live there. There is so much media hype surrounding Uber... this is a refreshing look at the people who use the service.
