It will rely on your willing demands. Yet, we consistently recommend that books [Freedom's Secret \(Volume 1\) By Amy McCoy Dees](#) can be a terrific invasion for your life.

FREEDOM'S SECRET (VOLUME 1) BY AMY MCCOY DEES

PDF

Port Royal, Jamaica. Caribbean. The Year of our Lord, 1708. Seven years ago, ten-year-old Keegan O'Malley hid under a bush like a coward. Having run away from his duties on the sugar plantation and leaving his loved ones at the mercy of the cruel Driver, his younger brother Amos and childhood friend Karis are badly burned as punishment for not reporting to work. Now seventeen, Keegan O'Malley has long since escaped the Jamaican sugar plantation and found freedom in St. Augustine, Florida, though he was separated from Amos and Karis on their voyage to the New World. Ever haunted by memories of being a childhood coward, he vows to find them. His journey leads him through secret tunnels, over rushing rivers, and inside smelly, pirate-filled taverns. In this riveting historical fiction adventure by Amy McCoy Dees, Keegan faces his greatest fears, challenges his own beliefs, and discovers all is not lost in the New World.

Accurate and entertaining!

By trioptimum02

Amy Dees writes a fantastic young adult novel filled with adventure, intrigue, and accuracy. It shines light upon two aspects of slavery largely overlooked in modern writing: the vast difference between slavery in the colonial era versus slavery in the Antebellum South, as well as the experiences of the thousands of white, Catholic Irish slaves brought over during and immediately after the English Civil War. Historically accurate in the events surrounding the characters, Dees writes a story that is entertaining, engaging to young readers, and historically accurate. It is a great beginning to what should be a terrific and educational series regarding not just slavery in the colonial South, but life in the colonies in general.

Not really my style

By Teresa Kander

Most reviews I've seen for this book have been extremely positive, so I feel as though I missed something. I wasn't even able to finish reading it. There was nothing about it that grabbed my interest and drew me in, and it seemed to drag on for page after page.

From what I did read, I found the author to be very careful about her historical accuracy, which is always a plus.

If you have any interest in this book, don't let my experience change your mind. Read it for yourself and decide!
