FROM THE DARKNESS TO THE LIGHT: MY JOURNEY WITH THE MASTERS BY PAUL KWAME KYEI PDF

My journey in this life began in a small village in Ghana, in West Africa. My father was a fetish priest, a practitioner of our traditional religion. As a boy, I became a Christian, the first in my family to do so. I served in the Methodist Church for many years, and I was known there as a fiery preacher. Then I found the ascended masters, the great souls of East and West, from all races and religions, who have returned to God in the ritual of the ascension. Elizabeth Clare Prophet, their messenger, became my mentor and teacher. I have followed the path of the masters and their teachings for nearly forty years. In those years I have witnessed miracles and passed through many tests and challenges. I have seen black magic and witchcraft and felt their effects. I have seen how the Light overcomes the Darkness. Through it all, the masters have never left me. This is the story of my journey. My hope is that what I have written may shed some light on the path for those who follow.

From the Darkness to the Light by Paul Kwame Kyei

By M. N. Eldridge

From the Darkness to the Light by Paul Kwame Kyei -- Anyone interested in the upper room teachings of any religion would be impressed by this great read -- an informative work, written by an actual grown-up from his heart. A self-effacing student becomes a trusted teacher and pastor. The book is worth it just for the understanding of African culture alone!

This is an excellent introduction to the Teachings of the Ascended Masters. Especially for African and African-descended peoples. I loved it!
