GOETIA OF SHADOWS is a grimoire for the modern practitioner who seeks the 72 Spirits who are Demonic Spirits who instruct and illuminate the Black Adepts who are strong enough to seek them . This edition of the Lemegethon applies medieval sorcery techniques to the modern, Luciferian Mind to bring forth measurable results in this world now. This edition contains stunning color art of Lucifer and Amaimon, both added along with Beelzebub to the Lemegethon for the first time. GOETIA OF SHADOWS is a beautifully illustrated new way of working with Goetic Sorcery from a Luciferian perspective. Goetia is a word which depicts 'sorcery' and is derived from ancient Greek descriptions of those who raise the shades of the dead by evocation, from which the word 'howling' is associated with. The sorcerers would howl and wail at the tombs the very words of power which commanded the spirits to manifest around them. We see that the term goes "sorcerer" and psychagogos "soul-charmer" are associated with those who raise and gain power from the souls of the dead. The ancient rites of necromancy are the foundations and quite similar in approach to the Lemegethon and the original manuscripts. Goetic rites within this grimoire are focused on everyday mundane achievements within the world we live in. Knowledge, sex, power, revenge and defense are focused on here.

Good Book !

By Jerusabellum

I Love This Book ! Michael W. Ford is a Talented Author ! I just recently started practicing with my Husband Michael and we Love his Work. I look forward to reading many many more of his books.

It's easy to read, some of the words is a little hard to pronounce but I have a website that can help me pronounce the words a little better so that's not much of a problem for me.

I like how he list all 72 Daemon Spirits that you can work with of your choosing.

He has two different Black Hilt Athame Evocation Rituals to consecrate your athame, he explains the triangle of evocation, the pentagram of tetragrammation, The Wand, the circle, the black mirror, sexual evocations. Invocation of the the Kings Ritual.

It's a wonderful book to have, it's like a Grimoire.

Great Book

By H3RET1C

This has to be ONE of my Favorite Goetia Books.

I like most of Fords views and such, but one thing I didnt care for was that he didnt tell you what type of candle or what incense you need for each Demon. He goes with the idea that its more of a unlocking of the brain kind of deal, which I agree to some extent, but I personally go for the traditional ritual with incense and what not.

Its a great book. Its just if you are traditional, you will have to do some research on your own to know what you need for each Demon. I personnaly dont do much of his ritual work. I mainly just like his great Historical knowledge. He is great at that.

Very easy to read

By Big Exile

Very easy to read,Informative version of the Goetia. Michael Ford's version is very detailed and descriptive.Anyone interested in goetic magic should be able to pick this up and began working right away.Michael's passion for luciferianism shines through in everything he writes and can help even the most lost soul on their path toward the black flame.I really enjoy the pictures that they used for the "demons" and their sigils. I own several Goetia books ,But this and D.G. are by far my favorites next to the classic.
