Superb Resource

By E.A.

This book is filled with excellent information and recipes. It is a delight to use and everything in it so far is a yummy delight. Aside from its recipes it is filled with information on each specific food, laid out in great detail. The only thing I could add to it would be pictures, but since it is a solid source for a serious, interested cooker, one could say pictures would be superfluous!

Five Stars

By engel

A wonderful introduction to French village life and French gastronomy.
