Besides this book [Hunting The Dark By Karen Mahoney](#), you can additionally locate hundreds listings of the books from several sources, compilations, publishers, and also writers in around the world.

HUNTING THE DARK BY KAREN MAHONEY PDF

Moth's adventures in the dark and twisted underworld of modern-day Boston continue in this thrilling sequel to *Falling to Ash*.

Once bitten . . . never shy

Adjusting to life as a vampire hasn't been easy for Moth. Torn between her family and her maker Theo, Moth spends her time running from one deadly situation to the next.

That's not her only problem. There's a killer on the loose and no vampire is safe. Even worse, the prime suspect is Jace Murdoch, Moth's friend and one-time crush.

He is in serious danger. Moth needs to hunt down the killer before Jace is destroyed. Time is running out and the darkness is closing in . . .

Moth's Authority Problem Is Back

By Amazon Customer

The first book in this series blew me away. The second did the same. I really liked how sarcasm was through out the book. The comments between Jace and Moth were flowing enough that it wasn't annoying. The humanity, which was left of Moth was refreshing. Her character didn't change personality wise between the books. I was really glad Jace didn't change either. They did change as choices they had to make. But other wise they stayed true to what Karen Mahoney made them be. I would recommend this series. It's clean in a way that, people wouldn't mind having a read, with a slow romance and more action instead. Crossing my fingers for a third one, but who knows? As I write this review at 2 in the morning. Trust me this is a good one.

moth returns

By Todd Thomas

It's been a while since Mahoney's little Boston vampire was in the spotlight, but the return is a solid urban fantasy outing. I have some unanswered questions and some of the resolution seemed to come in a rush for my personal wanting-everything-my-way tastes, but a well done book by a capable author who hopefully brings us more soon.
