As required by my class - good book

By Bryan Allen

Great textbook - a little pricey but it's exactly what I needed for class.

Amazon's packaging wasn't great, the book arrived with bent corners and dinged up but that doesn't take away from the content.

This book doesn't have an index. This makes research/referencing ...

By D. Chavez

This book doesn't have an index. This makes research/referencing a little more difficult but it does have a table of contents.

College book

By William Pritchard

It's a text book. It's the right text book. Nothing more need be said
