Revival is about the Reviver - nothing more and nothing less - ROLLAND BAKER.

The evidence of revival in Africa through IRIS Global is clear to see: tens of thousands of churches have been planted and hundreds of thousands of lives have been surrendered to Christ. But what have been the keys to seeing such a revival sustained over so many years?

Rather than offering a transferable model - because everyone's context is different - Rolland Baker shares the five core principles that have become the bedrock of IRIS Global's ministry. They reveal how revival can be sustained by supernatural love. These five principles fuel a cooperation with the Holy Spirit that leads to a Kingdom outpouring.

Rolland writes, "We don't impose these values on our ministry - the Spirit of God has imposed them on us. We simply recognise and adopt them." Readers will grasp both a deep longing for authentic relationship with the Lord and see how His love and power might be released in their own lives and ministry.

Rather than give more opinion, I think it best to read it. You'll be glad you did. I pray one day to have the pleasure to participate at Iris Global home base in Pemba. I have the utmost respect for the Baker 's and how they have yielded themselves to God and His will.
