LET'S HEAR IT FOR THE BOY BY T.A. WEBB PDF

Auntie Social is the biggest, baddest drag queen in Atlanta—she knows what she wants and she gets it. She's tough, merciless, and top dog. That's what Paul Stewart, reporter for the Journal, had heard, and all he expects when he's assigned to interview the legend.. But nobody really knows the person behind the make-up.

What if...what if the person behind the sarcasm and music was more than just a man in a dress? What happened in his life that, thirty years later, made him a successful CEO, a philanthropist, and a legend in the gay community? Thirty years and almost a million dollars raised for people living with HIV/AIDs, yet still no one knows the real story.

Until one night, one man breaks through the shell, and Matthew Trammell—Auntie Social—opens the door he closed many years ago and lets his secrets spill out.

Pain is like rain, it covers your skin and soaks in bone-deep, but it eventually recedes and allows fresh things to grow.

T.A. Webb is a master storyteller

By Will Parkinson

There are not enough superlatives to describe this story. It is one of love, heartbreak, pain, anguish, yet hope at the end of it all. Reading this story tore my heart out, but when it was put back together I found that the pieces were all there, even if they weren't in the same order as they were when I started.

Have an economy size box of Kleenex handy. This is a powerful, well-written story that needs to be told.

Stays With You

By Nora

I don't write reviews often but found that I had to for this book. Though the story is short, it encompasses a lifetime of feelings in its pages. It made me cry and stayed with me for days after I read it. In the end it leaves you with a feeling of hope for the future and gratitude to have met these men. It also makes you think of how many others have been and continue to be, in the same situation that Matthew and Patrick lived through. Buy this book. You will not regret it

Masterful and heartbreaking!

By book wench

5++ stars. So beautifully written and sad it's bound to rip your heart out, but in a good way. I can't believe this was only 30 pages. It felt like I got so much more than that. Expertly crafted and amazing, with no way to keep dry eyes reading about Matthew's loss. But you won't have any regrets about reading this story, I promise.

"Pain is like rain....it allows fresh things to grow."
