I could hardly wait to begin reading her next book as I thoroughly enjoyed this one

By Amazon Customer

I bought all three of her books because I read that she is a MN author from Milaca who lives in Sauk Rapids now. As I began reading, I was thrilled that it took place in Nisswa & surrounding area with which I was familiar! I read about 2/3 of this book & had to wait until morning to finish it. It was getting too spooky & I wanted to be able to sleep! When I finished it, I could hardly wait to begin reading her next book as I thoroughly enjoyed this one!

Don't bother

By K. Burkhardt

This is one of the worst books I've ever read (and I read a lot). The plot is stupid, the characters wooden, and the dialogue stilted.
