Taking the Certification Exam

By A Customer

I Recently took the certification exam for Medical Assisting. As a requirement to my review course I purchased this book. I read it cover to cover and had questions taken from it on quizzes. I feel that this book had most of the information in it that I was required to know. It was also easy to understand and less confusing than other books I was using.

Medical book

By Yard Sale Queen

Very good price on this item. Was as described and very useful. Easy to find and availability good. Very useful product with prompt delivery coming well packaged in good time.

Great Book

By Ashley R

Book was exactly what I was looking for. It has the AAMA guidelines that I am learning in school and great to help to study for my certifications after school
