You Have What It Takes to Go Over the Top!

Drawing on forty years as a world-class motivational speaker and author, Ziglar identifies and outlines in his best-selling *Over the Top* precisely how to achieve what people desire most from life—to be happy, healthy, and reasonably prosperous and secure. As Ziglar delves into the hows and whys of living life with values, character, honesty, integrity, and sensitivity, you'll learn to be more at peace with yourself and accomplish more with your skills and abilities.

Over the Top will persuade you to develop what you have in order to be the best you can be. What you can do just may be astonishing!

A talented author and speaker, Zig Ziglar has an appeal that transcends barriers of age, culture, and occupation. His client list includes thousands of small and mid-sized businesses, Fortune 500 companies, government agencies, churches, and non-profit associations. Since 1970, he has traveled around the world delivering powerful life-improvement messages and encouraging individuals to change and grow.

Not as Good as See You at the Top

By Aaron Doud

This is a follow up to his original classic and it is a bit lacking compared to the original. If you have read and liked See You at the Top you should read this but if you only read one make it the original.

Zig Ziglar Still Motivates

By rcmjrphd

The concepts Ziglar discusses in this book are timeless. If they are believed and followed they will lead to success for any individual. We all have amazing abilities within us. When we learn how to capture those abilities and put them to work for us we can as Ziglar says "do anything better." This book will not a superstar sports idol if your abilities don't trend in that direction. If you are working at a mundane job but yearn for higher pay or more challenges in or out your field these strategies will help you. I highly recommend this book and the audio lessons as well. We all spend too much time lamenting our lot in life and not enough time doing something productive about it. If you sincerely want to see changes in your life then you can learn from Zig Ziglar.
