Tablice gramatyczne is a set of 34 charts of key grammar items from the Polish language presented in a clear and accessible way. Together with the commentary, they will facilitate acquiring all the items of grammar such as cases, conjugations, tenses, aspects, verbs of motion, static and dynamic prepositions, numerals and comparative/superlative forms of adjectives and adverbs. This practical teaching aid will come useful for both teachers and students during the course. The number of exercises accompanying each grammar item is a practical supplement of the charts . They allow both teachers and students to check and use the knowledge in the real life context. These exercises are available after logging on our e-polish.eu platform. The log-in code can be found inside the set and can be used by the student to do grammar exercises for the unlimited period of time. The teacher will be able to access the platform for six months.
