### From the Author

The "Spiritual Warfare Prayer" was written for my own spiritual strength, during a period of tremendous stress, relentless spiritual attacks and heavy oppression. It was never written to be viewed or shared with anyone else, and certainly not to be published. I wrote it to keep my mind, which was under heavy and constant attack, firmly fixed on the written Word of God. During times when I desired yet could not pray effectively this written prayer kept me standing firm.

I first shared it when I was asked to be a guest speaker at a church. I vacillated as the Holy Spirit kept drawing me to teach from it. A visiting pastor from out of town was present; and was so impressed with the prayer that he invited me to be a keynote speaker at a conference he was conducting on spiritual warfare. From there, evangelists and missionaries took my "Spiritual Warfare Prayer" and distributed it to those in their travels around the world. During the months following, surprising testimonials came to me of the power and effectiveness this prayer had on the lives of so many. Nevertheless, it is my personal prayer. I have used it many times over the years; and use it to this day in my spiritual fight of faith.

Indispensable

By Meghan

Just in time for the season of Lent, Darrell Porter's 'Spiritual Warfare Prayer' is—pun intended—a godsend. Porter outlines as well as goes into careful detail into describing how to gain effective protection against spiritual attacks and fortify one's soul against the onslaught of the Devil—through the power of prayer. But he does so with a strong background in Scripture—this is not some mumbo jumbo taken out of thin air, but something that comes from the Word of God Himself—and nothing could be more powerful than that.

As you probably know, spiritual warfare prayer is an active, more dynamic and a special kind of prayer—it heals and protects and reinvigorates—and author Porter shows in this book how you can engage in such a prayer correctly and how to draw upon the deeper wellsprings of divine power. What's more, you can use this book as a daily source of strength and spiritual direction—its benefits are inexhaustible. Get a copy of this book today—also a great gift to all the people you care about!

The "Spiritual Warfare Prayer booklet"; was well written I found it to be easily read ,the content was very informed, words defined ,and scriptural;I could actionally feel the writer passion and sincerity. I was very impressed with the patient the writer took to share this prayer with the public to help other to become skillfully prepared, arm and equip for spiritual battle.The wording was great I particular enjoying reading about the author his experience and how this prayer was effected for him ,and others in intercessor prayer, The prayer is scriptural ,and ,can be use as a study guide, also with everyday devotional reading. I would recommend it to; anyone who is under the attack of the enemy and have had an ongoing battle, and have pray, and yet battling in the same battle without result; to consider obtaining this booklet , ;and, contacting the author who is an pastor ;who God has ordain for such task to assist God's Kingdom.

Excellent

Spiritual warfare prayer, as said by the author, is truly a book that is powerful and an effective weapon against spiritual attacks and the strongholds of the devil. this book made me realize that as Christians, we should always expect trouble and trial times and that how we handle this trial times is what matters most. "knowledge of the word of God and preparation for spiritual warfare is imperative for victory over Satan" This line says we should always prepare so that the war does not get to us unaware. Pastor Darrell was elaborate defining key words such as spiritual, warfare and also went ahead to teach how to pray the spiritual warfare prayer. This book is a "must get" as it will add up to your weapon no matter how spiritually prepared

you are for the attack on the strongholds of the devil.
