A Must-Read for all ED Leaders!

By Ali Raja

This text is an absolute must-read for ED leaders. Not only are the topics it covers comprehensive, but the author list is full of exactly the kind of experienced ED leaders who should be writing these chapters. My ED Admin fellows at MGH read this as their core text and I've found it so useful that I've designed their curriculum specifically around it. If you're new to a position in ED leadership, read this book. However, even if you've been doing your job for a while, pick up a copy and read through the chapters you find most relevant - you'll absolutely learn a thing or two, since we can't all be experts at everything.
