Comfort reading

By HarmonyLady

I needed this, after 3 years of wondering if my husband was ok, I am not reassured he is fine and keeping an eye on things in death as he did in life. I have purchased this for a friend who tragically lost a son, he is finding comfort in it and that is what I was hoping for.

The book came on time and is in excellent condition!

By Sharon from Illinois

The book came on time and is in excellent condition!! This book so far is AWESOME!!

It's a great "beginners book" for anyone just getting started to learn about their spirituality.

James Van Praagh is so genuine and intuitive, I love to hear about his "life story". I can't put the book down!!! KUDOS to James, I only HOPE and PRAY that I could have a private reading with him some day. That would be "tops on my bucket list"!!!
