THE DIFFERENCE MAKER: A SIMPLE FABLE ABOUT MAKING A DIFFERENCE IN THE LIFE OF OTHERS BY TONY BRIDWELL PDF

"I was lured into believing that success was about money, power, fame, and pleasure. If those things defined success, then I should have opted for failure. My true success in life came when my focus was on doing what God wanted me to do and investing in the life of others. My only regret is that I wasted so many years chasing the wind when I should have been all in from the start." Taylor Bellows

The death of Taylor Bellows, one of the wealthiest men in the world, devastates Brendan Austin, his best friend since childhood. But even more than Taylor's death, it's the set of journals he left behind that shakes the foundation of Brendan's life. Brendan and Taylor grew up together, from their days spent having adventures in the woods and pretending to be businessmen in Taylor's father's office to their eventual careers and marriages to the lovely Allison and Ann—and to Taylor's struggles with infidelity. But through it all, Brendan and his wife Ann stood by Taylor and Allison, mentoring and guiding them toward the truth—even as Brendan often felt that Taylor resisted taking his words into his heart. And now, in reading Taylor's journals, Brendan uncovers things he had never known...about his friend, his life, and his faith. He discovers what it means to be a difference maker. A conversation starter, an approachable guide—in fable form—for mentors both deliberate and unintentional, *The Difference Maker* looks at the godly principles of true success, mentorship, leadership, courage, and transformation. The truths are powerful and applicable, in life and in faith, for everyone who reads them. Learn how to lead others while you follow The One.

This book deserves 10 stars!

By Jennifer Shelby

This book was eye opening, I found peace with something I have struggled with for the past 5 years. I found myself being more honest with myself and God than I ever had before. I questioned every step and did not

have faith in the plan. In 3 questions, my answer was there, black and white, the WORD, I have read these passages before, but never did I really SEE the answer... That is not till now. This book forces you to be honest, forces you to come face to face with God. I thought I was listening before, but now, I HEAR you Lord! I urge anyone reading these reviews to GET THIS BOOK, use it, it's designed to start being a difference maker in yourself first, and prepares you for becoming a difference maker to others. Powerful read! Thank you Lord, for the vessel you have created in Tony Bridwell! AMAZING!!!

This Book is a Difference Maker!

By Matt

Powerful, insightful and instructional! I had an opportunity to read excerpts from the book before it was published and spoke with the Author as he was in the final stages of putting it together and cannot wait to get my copy. This has changed the way I look at serving others and helping others. Following the teachings found within will not only make a difference in the lives of those you serve, it will make a difference in your own life! 5 Stars!

Mark Byrd - gives me a lot to think about

By Sandra E. Byrd

I've had the good fortune to have gotten to know Tony through God putting us in each others path during a short stint where both of our families moved to Pennsylvania. Tony has a passion for God and a passion for people, and he has used the talents God has given him in his Sunday school and his work to encourage and mentor others.

I just finished reading his new book - couldn't put it down. It is very well written, easy to read through a fable-style story, and lays out a biblical process to mentoring and accountability. Whether we know it or not, we are impacting the lives of family, friends and even casual acquaintances - sometimes positively, sometimes maybe not. This gets me thinking more consciously about what impact God wants me to have on others, and how I need mentors who can help me with my own accountability.

Definitely worth the read!
