THE HIDDEN NAMES OF GENESIS: TAP INTO THE HIDDEN POWER OF MANIFESTATION (SACRED NAMES) (VOLUME 4) BY BAAL KADMON PDF

In this book, you will learn, for the first time, the 6 hidden names of God within the first few verses in the book of Genesis. The names are in Hebrew, but do not worry. I will transliterate as necessary. These names are known by VERY few people. Today, you will learn them for yourself. Although the old testament books are filled with secret names of the divine, the ones in the book of Genesis are of utmost importance. Why? The book of Genesis is the account of divine creation. God manifested the entire universe and it is recounted allegorically and some would say literally, within the pages of Genesis. This is significant because the hidden names are the very names God used for creation. By tapping into these names, you will have a piece of the power used in the Genesis of the universe. You can use the power of Genesis, to manifest whatever it is you require in your life. It is, after all, the book of creation...Isn't it?
