Great for teaching!

By Kym McKandes

As a senior pastor, I am always trying to find ways to teach biblical principles in humorous or exciting manners. Prayer is such a basic principle, however the mind of the believer has yet to truly grasp intercession, the power that it produces, and the change it invokes. Jennifer Eivaz has realized this truth, and penned the "how-to's" and "why's" in such a challenging, yet relatable way.

After reading it with my wife, we ordered 10 more for our ministry's core leadership, and also to use as a real-life based curriculum to teach intercession. My congregation here in Southern Oregon is thankful for Jennifer Eivaz and the Intercessor's Handbook.

Well written

By Alison Ludick

This is the book of its kind that I've ever read, and much needed in the church today. Jennifer gives real life examples of her interaction with the spiritual world. What a blessing to glean from her. She talks about our spiritual authority, territorial spirits, angels and more. And every chapter ends with bullet point prayer principles. I would recommend this book to every Intercessor, or anyone wanting to know more about the unseen spiritual world.
