Awesome Sexy Hot Novel

By Laurel

Wonderful story by Jordan St. John. It's an erotic romance that has aspects of a fairytale and a novel by Charles Dickens. The very detailed book has amazing insight into the characters and the descriptions of the costumes and scenery are so vivid that you can picture it and feel you are there. There is mystery, suspense, danger, romance, spanking and hot sex. I can't wait to read more by this author.

New author for me, nicely done

By SH

Great story here with a very detailed plot. The suspense is written very well and the characters draw you into their desperate circumstances. The romance that blooms between Juliet and Rand has it's obstacles but eventually problems are solved and the journey was so worth it. New author for me and I look forward to future releases. I received this book from Stormy Night Publications as an Advanced Reader Copy.
