A Holy Spirit Filled, Jesus freak's re-view

By Hungry4Jesus7

I recently returned from the Lakeland Outpouring in Florida. I've been set free, delivered from cigarettes & alcohol the day after buying my ticket and set on fire for Jesus! I just started reading this book and highly recommend it! Very powerful book! Can't wait for Todd's next book out in October! [...]. When I was there I'd never felt the anointing and power of God so strong. Praise God!! May the contagious fire of God come upon you even now as you read this review, may you be set free, In Jesus name! Amen. May the Lord fill you to overflowing in the Holy Spirit! And bring revival to your land!! Let the revival fires spread!

That I might Know Christ and the Power

By Dr. Willi D. Gutowski

As a retired Christian Psychiatrist I am awed by the wisdom about visions and trance states that the Holy Spirit has taught Todd Bentley. I have been studying these phenomena my whole life! I can attest that the Holy Spirit has taught him spiritual TRUTH.

I want to teach a group of elders at my church about the supernatural. I will be using Todd's book as the text book. I totally agree that we need to stop attributing anything that is supernatural to the Devil. God has the REAL THING. Step out in faith and "taste and see" that God is good and wants to give good gifts to his children.

I highly recommend this book to any student of faith and the supernatural as the Bible teaches it.

supernatural

By Dottie Miley

FANTASTIC book about how God wants us to go into His supernatural realm. God wants us to live a supernatural life having dreams and visions every day. God has so much for us to experience. We need to be open to His Spirit. Recommend to all that want to experience a lot more of the supernatural.
