Review

Here's what readers and critics are saying about The Mukhtaar Chronicles:

"Mind-blowingly good." - Nicholas Rossis, #1 Bestselling Author of the epic fantasy series Pearseus.

"Best book I've read this year. Nat Russo could turn into my favorite author." - Phillip Ferriera, Owner of ReviewBoard.Com

"Necromancer Awakening by Nat Russo is one of the finest examples of fantasy genre fiction I have ever seen. I started to say, "seen in a long time," but the qualifier isn't applicable, since Russo is well able to hold his own among such lights as Martin, Gaiman and Gabaldon." - C. L. Roman, Editor, Brass Rag Press

From the Author

Hi friends,

If you've been waiting for a followup to Necromancer Awakening, wait no longer.

My latest release, The Road To Dar Rodon, is a novelette set in Erindor prior to the events of Necromancer Awakening. Those of you who loved Mujahid Mukhtaar will be happy to see him make his return to the stage as the main character.

If you haven't read Necromancer, no need to worry. This is a standalone story that everyone can enjoy.

Cheers!

Nat

THE ROAD TO DAR RODON (TALES OF THE MUKHTAAR LORDS BOOK 1) BY NAT RUSSO PDF

Readers have hailed The Mukhtaar Chronicles as "Percy Jackson meets Game of Thrones!"

Erindor, the visionary fantasy world that ignited imaginations worldwide in *Necromancer Awakening*, comes to life once more in a story of vengeance and redemption in this latest novelette from Amazon bestselling author Nat Russo.

Mujahid Lord Mukhtaar, leader of the twelve necromantic clans, is one of the most powerful necromancers in Erindor. In the course of a single year, he is banished from his home, forced into hiding, and separated from those who need him most. When a long-awaited trip to one of his covens ends in betrayal and death, Mujahid sets out on a journey of revenge against the last men on Erindor he thought would betray him: the peace-loving Arinian priests of Dar Rodon.

But it's the holy season, and the pilgrim road to Dar Rodon is both heavily traveled and heavily guarded. When Mujahid comes face to face with a lone Arinian priest, he has a choice: continue his journey across the desert in secrecy and solitude, or take the old man with him to discover the reason for the priesthood's treachery.

The road to Dar Rodon may lead Mujahid through the desert of Erindor...but it will lead him through the desert of his soul along the way.

Mr. Russo delivers again

By Nathan

If you're reading this story, you must have already read *Necromancer: Awakening* like me and were waiting for more. This isn't the sequel we've all been waiting for yet, but it is a great, bite-sized prequel. Mr. Russo does a great job of fleshing out some of *Mujahid's* backstory without making it feel like he's just regurgitating some notes he has buried on his desk somewhere.

Mujahid is such a great character, and he really gets to shine in this story. But honestly, *Father Dominic* nearly steals the show - he's absolutely the perfect character you'd love to hate but really can't help but love.

Can you read this story if you haven't read *Necromancer: Awakening* first? I'm not sure, but probably. This is a completely self-contained story.

In conclusion, it's a short read, but well worth your time.

(As an aside, the cover art for this book is great... kudos to the artist)

What would you do when those you trusted betrayed you?

By Jacob G. Adams

From *Nat Russo*, who wrote *Necromancer Awakening*, comes this short story that covers some back story on the main character (*Mujahid Lord Mukhtaar*) of the aforementioned novel that comes after this story. I'm not going to give any plot points away from the story as I think it'll ruin the adventure for potential readers, just know these things: it's tightly written, clear and to the point, and both characters (*Mujahid* and *Father Dominic*) are flushed out and complete characters, and it is a true joy to watch the characters interact with each other.

Now, to those who come across this story and are interested but are worried that you might not follow what is going on because you haven't read the novel that was published beforehand, do not worry, I haven't read it either (I met *Mr. Russo* on twitter, after the release of his book) and still thought the short story was great. In fact, since this is supposed to be somewhat of a prequel, it might do well to read this first and get a taste of what *Mr. Russo* has to offer, then dive into his book. I've added his novel to my reading list.

Either way, this author has a knack for writing his character *Mujahid* and it is easy to tell the author loves the character as he is written with such affection (which is incredibly refreshing) and pride that it adds a entire layer to the whole story. I highly suggest this short, especially if you are the type that likes well thought out fantasy worlds with a hint of ours thrown in.

Great addition to The Mukhtaar Chronicles

By Hope

Majahid is on a mission for revenge, heading for Dar Rodon to make the Arinian priests who killed his friends pay. So the last thing he wants to do is get stuck with an Arinian priest who insists on accompanying him there. But he just can't shake this priest without calling attention to himself (something he wants to avoid since he's a banned Necromancer), so he reluctantly lets the priest come along.

I don't want to give too much away, but overall I enjoyed this short read. Majahid definitely grows as a character in this novella, and he and the Arinian priest's interactions were highly enjoyable. For anyone who has read *Necromancer Awakening*, this is a great addition to the story. I wouldn't really recommend this to anyone who hasn't already read the main story, though, because while this short read enriched the main book, anyone who isn't familiar with it would have a hard time following the story.
