Beyond Inspiring!

By Ida

This book is beyond inspiring! Not only does it make you want to dive right into your goals, but it gives you the tools to do it. The author is so positive and motivating. The examples he gives are very easy to relate to. This book shows you that you don't have to be a superhero or "wait till the time is right" to start moving towards your vision. He gives you the step-by-step path to start TODAY to reach your goals. I suggest the reader keep the journal that the author suggests, as it is very helpful. This is not a "superficial" motivational book. It was written by a real, everyday person who has achieved great things with hard work and determination, and shares his recipe with the reader so that he or she can do the same.

A must read guide to a better life

By Grendal

A must read for everyone who wants to change their lives with simple yet sure ways to look at life and work differently. Author Annese has written a step by step guide, if you will, to look at yourself, see who you are and where you want to go. Then, following his clear language guide, get on the "cycle" and make yourself better at work, school, and life utilizing proven management tools that can be extended to any area you choose. Annese's own life underscores his keys to success and a happier you. Put this book in the same category as classic models like The One-Minute Manager and Your Erroneous Zones.

At first I thought that was another book just like everyone else in the market

By Amazon Customer

Is a pleasure and an honor to share my feelings about this book from my own experience:

At first I thought that was another book just like everyone else in the market , however there was something different on the cover of the book that forced me to buy it, and I don't regret it.

I recommend it to everyone, because additionally of win a great book or a manual full of experiences and solutions, that inspire and motivate your daily life, we gained a friend and an adviser , that with his experience and his beautiful soul and heart, he has a great vision to be a beautiful light for many people out there,to lift us,teach us when sometimes we lose the horizon of life, encourage us and help us to reach our VICTORIES.

Regardless of age, his knowledge can be brought to our children to guide and encourage them to be adults sure of themselves, with a great self-esteem and success in their lives, both spiritually and materially.

Michael ,you were touched by God, and that is why today we have the privilege of enjoying being part of THE VICTORY CYCLE.

Michael , thank you for sheering and let the light of your heart and soul shine upon us all, and bring your amazing spirit to all you come in contact with. Kenia
