The single-volume edition includes an interpolated translation based on the acclaimed interpolated translation originally prepared for the five-volume Kehot Chumash. This interpolated translation renders the text of the Chumash intelligible to the reader, enabling him or her to understand it as Rashi explains it and as the Rebbe elucidates Rashi's commentaries.

Hundreds of Chasidic insights culled from the works of the Rebbe and his predecessors supplement the lucid translation. Each parsha (Torah reading) is preceded by a concise introduction highlighting its particular theme as it considers the Torah's message. Helpful introductions precede each haftarah, designed to provide the reader with historical and literary background as an aid to study of the prophetic lessons of the haftarot and their relation to the weekly parsha.

The single-volume features newly drawn illustrations and professionally prepared maps, and is beautifully typeset on durable paper bound with materials specially designed to enable years of intense use.

Very impressive

By Music Fan

Most informative and accessible translation I've seen.

6 of 6 people found the following review helpful.

Clear and contemporary yet scholarly version of Torah and regularly read associated excerpts from Prophets and Writings

By Amazon Customer

B"H This book is a must for those who wish to understand the Five Books of Moses and the associated portions of the Prophets and Writings. It's authentic with incontrovertible scholarly sources, but written in lively and contemporary style so the reader may understand what these writings mean for us today. It's replete with footnotes, bibliographic information that both spells out in Hebrew and explains the meaning of all works cited, and diagrams and charts for those passages in Jewish history and law that may seem dry, repetitive, or confusing. Everything is made clear. Don't miss out!
