Life is always establishing as well as you require some new publication [Ugly People Beautiful Hearts By Marlen Komar](#) to be reference constantly.

UGLY PEOPLE BEAUTIFUL HEARTS BY MARLEN KOMAR

PDF

Ugly People Beautiful Hearts is a poetry book with over 70 poems and verses moving between the feelings of loving someone, feeling loss, trusting the night sky, losing your light, resolving that hurt is beautiful, and finding compassion in a stranger's smile.

We hurt and are hurt. We love and are loved. We're selfish, and cruel, and like to watch something beautiful turn ugly. We don't care about others. Not really. We use them until there's no more to be used.

But.

But we also want to find each other. Want to draw closer. Feel, and take care. We want to look at someone and know, that what they see looking back at them is light.

We're all ugly people. Ugly people with beautiful hearts.

One of the author's favorite poems:

There We'll Wait

You know what I love? The spaces between I love you. The tap of your fork against the plate and how my cup of wine clicks against our table. The scratchy voice coming from the radio in the other room. The quiet sound of your hand reaching across the table and whispering over mine. How your voice sounds like your mouth on the back of my neck. The soft murmur of our easy conversation.

Between these quiet Tuesday night routines, following every comma and right after every pause for breath, is I, love, and you. In the middle of every I love you is a sink full of dishes, whisper of socked feet tangled in white sheets, and gentle kisses against curved cheeks. We lyric ourselves into the laundry that needs to be finished, into the ends of every smile that follows me repeating your name. We write ourselves into the grocery bags we need to carry, the cracks running up our rented walls, the sides of the bed we choose to drag up the sails of heavy eyed dreams.

Like the spaces between our fingers, in the spaces between I, love, and you, we wait.

The in-betweens have always been my favorite.

If you have ever loved, lost

By Melinda

Komar's poetry collection affected me greatly. I not only connected with her prose but I felt her words. It's as if she crafted the words, thoughts and feelings with the emotion I carry in my heart as well as life experiences. If you have ever loved, lost, failed, endured, you will undoubtedly find solace and correlation to many in her collection. A panoramic glimpse of life, a kaleidoscope in variety.

Simple yet profound, you will find Komar's poetry filled with raw emotion and truth. She writes what the masses feel, eloquently presented. All ages will enjoy verses filled with joy, melancholy, a nudge remembering the past, a moment in time reflected, no matter you will find pleasure in Komar's numerous poems.

A beautiful collection I encourage all to explore, both tactile and visual stunning the peruser. Marlen Komar is clearly a gifted poetress, I look forward to reading more from this über talented woman.

I really enjoyed this poetry book

By TANGUY

I was sent this e book in exchange for an honest review. Thank you so much Marlen !

I really enjoyed this poetry book.

I wasn't expecting to enjoy poetry so much. When I think poetry I think Baudelaire or Verlaine. Gifted poets, but their poetry can sometimes be difficult to read, if you know what I mean. But this is different. It made me see poetry in a different light.

I really was in awe with her writing style. It's about heartbreak, romance, life and daydreams. I connected a lot with her poetry. In fact, it's really to connect with her work : if you've loved someone than lost him, felt your heart shattered then her poems will sound familiar to you. For some poems, it felt like she has written my own thoughts; it's really powerful. It's beautifully written, intricate and delicate.

Each word is chosen carefully, enlightening the feelings felt by the narrator or the reader.

I wanted to savor those poems so I read a few every day. It appears to me as the best way to truly appreciate them.

here is a list of my favorites :

- Fix your holes
- Don't. Do
- Come, quick
- Bravery found underneath a street lamp
- A rather cold tuesday afternoon
- It won't be me
- Watching the sky fall (asleep)
- To : you

and this is one of my top 3 favorites :

It won't be me

What if the constellations are actually fracture in the night sky, thin silvery veins racing across a glass holding back bruising shadows; eddies of history and rust. An atlas of- not roads and maps- but legends, feverish prayers, quiet poetry. Cast off hopes and dead devotions. What if it only took one person to throw a rock against the glass to shatter it and open us to never.

The question is : who of us is gentle enough to do it ?

Stunning poetry, wonky formatting

By Kayla (The Bookish Owl)

Originally seen on The Bookish Owl (<http://www.thebookishowl.net/?p=6933>)

A free digital copy of this book was provided by the author in exchange for an honest review. Thank you so much, Marlen!

To be honest, I found it quite difficult to review Ugly People Beautiful Hearts. I had trouble finding the right words to encompass my feelings for this poetry collection. I'm going to say this now to get it out of the way: my review of this book will be bad, brief, and will in no way do justice to the beauty of its poems.

Marlen Komar's amazing writing is evident right from the get-go. Each word is chosen carefully and purposefully, strung together with other words and then structured in a manner that maximized the emotions leaking out of me. Not really the best use of imagery but I swear, that was how it felt like while I was reading the poems.

Out of the 70 or so poems included in Ugly People Beautiful Hearts, these few stayed with me, and I haven't been able to stop thinking about them ever since.

- Nights That Sound Like Your Name
- We Think of Her
- A Rather Cold Tuesday Afternoon
- It Won't Be Me
- Do You Still Remember Me?
- Seeking: A Reader of Maps
- The Things Silence Keeps Safe for Us
- Have Courage, My Love
- When I Go Missing
- Remind Me
- I Do It Because I Don't Want To
- Maybe
- Meet You at the Usual Spot?
- What We Mean to Each Other
- Blue
- A List of, Essentially, Loves
- What Happens When I Try to Let You Go
- The Have Nots

The one thing that I didn't particularly enjoy in Ugly People Beautiful Hearts was the book's formatting. There was no distinction between the title of the poem and the poem itself. It isn't really a big deal but I still wish that the title had been separated from the rest of the poem.

In A Nutshell:

Ugly People Beautiful Hearts is a powerful poetry collection and I highly recommend it. I urge you all to read, understand, and absorb the poems inside this book because each one is a stunning painting of words. Aaaand, that's all I have to say.
