Five Stars

By Robert C. Hasslocher

Great

5 of 5 people found the following review helpful.

Handy Little Book

By P. Casey

I have found this little book very handy for dating old Winchesters by serial numbers. The accuracy of the data in the book is by far the best that I have seen. If you are collecting old Winchesters, this little book is a must and it will fit in your shirt pocket for handy referencing at gunshows and auctions.

5 of 7 people found the following review helpful.

a handy reference tool

By robert w. blauvelt

this book is a valuable addition to those who want to know the dates of manufacture on winchester firearms.  
a no-nonsense book priced right.
